me: so, what's it going to take to put you into a text-based mmorpg today?
Andrew: dont take this personally
Andrew: but it will virtually never happen on your insistence
me: go on...
me: so there's a chance, then?!?!
me: hi, this is Richard Stallman
me: I'm over at Barrett's place
me: you should play gemstone IV
Andrew: yes master!
me: HA HA YOU FOOL
me: THIS IS ACTUALLY BREWSTER KAHLE
Andrew: noooooo!
me: so, we've got a former CIA member in Project PM now
me: he's also blurbing my book
Andrew: who?
me: Barry Eisler
me: also bestselling political thriller author
